The PUBLIC UTILITIES COMMISSION of the STATE OF HAWAII ("Commission"), pursuant to Hawaii Revised Statutes §§ 269-16 and 269-12, HEREBY GIVES NOTICE that it will hold a public hearing on Tuesday, July 15, 2008, at 10:00 a.m. at Maunaloa Elementary School, 128 Maunaloa Road, Maunaloa, Molokai, Hawaii, relating to the Commission's proposed temporary rate increases for MPU and Wai'ola, in order to ensure the continued operations of MPU, Wai'ola, and Mosco (collectively, "Utilities") until a third party is able to take over the Utilities' systems.

On June 18, 2008, after being informed by the Utilities and Molokai Properties Limited, dba Molokai Ranch ("MPL") that the Utilities' services would be terminated by the end of August 2008 if the County of Maui ("County") or a third party did not take over the Utilities' operations, the Commission opened this proceeding to provide any required temporary rate relief to the Utilities, via a temporary surcharge, to ensure continued water and wastewater services while a third party is found to take over the Utilities' systems. To address financial issues raised by the Utilities as the basis for their inability to continue operations, the Commission proposed the following temporary rate increases for MPU and Wai'ola: (1) for MPU, an increase in revenues of \$297,965, which is 40.95% more than its 2007 reported water revenues of \$727,458; and (2) for Wai'ola, an increase in revenues of \$163,839, which is 121.50% more than its 2007 reported water revenues of \$134,813. Because the Commission found that Mosco is still financially viable and operating at a profit, it proposed a 0.00% increase over present rates for Mosco.

The proposed temporary rate relief is designed solely to make MPU and Wai'ola whole (i.e., so that their operating revenues will cover, or equal, their operating expenses), such that they can continue to provide service on an interim basis. Moreover, the proposed rate relief is designed to be temporary. Thus, the temporary rate increases approved in this proceeding will be effective for a period of six (6) months from the date of an order by the Commission approving the increases; unless otherwise ordered by the Commission.

The Commission named as parties to this proceeding: MPU, Wai'ola, Mosco, MPL, the County of Maui, and the Department of Commerce and Consumer Affairs, Division of Consumer Advocacy ("Consumer Advocate"), who, is statutorily mandated to represent, protect, and advance the interests of all consumers of utility service, and is an ex officio party to any proceeding before the Commission. The Commission permitted the Parties to comment on the Commission's proposed temporary rate increases. As such, the temporary rate increases to be finally approved by the Commission may be higher or lower than the proposed temporary increases noted above.

All interested persons are invited to attend the public hearing to state their views orally, in writing, or both. Written statements may be submitted prior to, after, or at the public hearing. Statements may be mailed to the Public Utilities Commission, 465 South King Street, Room 103, Honolulu, Hawaii, 96813.
